Commercial Only: Square Feet: _____ x \$.40 Total Owed _____

Date Permit to be picked up: _____

Check Number: _____ Cash

(Checks remitted to: Holley-Navarre Fire District)

Residential Structures \$200.00 Each

“Residential Structures” shall be defined as single family detached houses, mobile homes and multi-family dwelling units which are designed for occupancy by a single family and not customarily offered for rent and accessory buildings, in excess of 1200 sq ft., constructed on the site with a Residential Structure.

Commercial Structures \$0.40 per square foot

“Commercial Structures” shall be defined as any building intended for occupancy by a business operation including, but not limited to retail, office, professional services, banking, hotel/motel, warehouses, restaurants, fast food, personal services, industrial and healthcare services. Also included are apartments/condominiums for rent.

*“Square Foot” means total square footage (TSF). Calculated by length times width of each floor then totaling the square footage of each floor for a TSF. *(When submitting Commercial Impact Fee Permit a set of plans must be provided with application or when picking up permit to verify Square Footage of Structure.*
